Description

Farsi Conversation is a unique guide to communicating in Farsi. It will help you to find out more about Persian culture and to practice your spoken Farsi with FREE YouTube videos. This book is an ideal tool for learners of Farsi at all levels, whether at school, in evening classes or at home, and is indispensable for business or leisure. Farsi beginners through advanced Intermediate Farsi students learn how to use the right language structures and idioms in the right context. Through functional use of language in dialogues and role-playing, you can practice Farsi vocabulary and phrases needed in everyday situations. The conversations in the book will aid students in their quest to gain proficiency in Farsi, both written and spoken. *This textbook* is for those Farsi students who may have already learned Farsi language at the basic to intermediate level and have a passive knowledge of its structure and grammar, but have not had ample practice using the language for communicating with Farsi natives. It offers a new way of mastering Farsi phrases, vocabulary and verbs in context. If you are experiencing difficulty in expressing yourself in Farsi, then this book is for you!

This book consists of 100 units, each illustrating the Farsi language used in a particular situation in both written and oral language, followed by a summary which gives all the key phrases covered in the conversation. This section provides you with all the everyday expressions and phrases you need to speak in natural Farsi. After common phrases, you'll find some exercises that give you further help and ensure that you have everything you need at your fingertips. FREE YouTube videos provided by the author helps you learn the correct pronunciation to communicate with confidence.

After reading this book, you will:

- Learn more than 2500 Farsi words, enabling you to express yourself effortlessly in Farsi.
- Master more than 300 commonly used Farsi verbs in context.
- Master the key expressions and phrases that native Farsi speakers use.
- Practice speaking with more than 800 questions in Farsi.

This fast and easy guide features:

- In-depth dialogues presented both in Farsi and English.
- Practical and high-frequency vocabulary used throughout
- Example phrases and sentences clarify each point
- Coverage of essential conversational skills such as asking a question or making comparisons
- Exercises at the end of each chapter that reinforce communication skills
- YouTube videos that get you speaking immediately

If you are nervous that you're not ready to strike up a conversation with a native Farsi speaker, then this book is just for you!
